

SAFEGUARDING POLICY

Our charitable activities include working with vulnerable children and adults. The purpose of this safeguarding policy is to protect children and vulnerable adults and provide stakeholders and the public with the overarching principles that guide our approach in doing so.

Safeguarding Principles

We believe that:

- Nobody who is involved in our work should ever experience abuse, harm, neglect or exploitation.
- We all have a responsibility to promote the welfare of all of our beneficiaries, staff and volunteers, to keep them safe and to work in a way that protects them.
- We all have a collective responsibility for creating a culture in which our people not only feel safe, but also able to speak up, if they have any concerns.

Safeguarding Policy Applicability

This safeguarding policy applies to anyone working on our behalf, including our charity trustees and other volunteers.

Partner organisations will be required to have their own safeguarding procedures that must, as a minimum, meet the standards outlined below, and include any additional legal or regulatory requirements specific to their work. These may, but are not limited to:

- Other [UK regulators](#), if applicable, such as [Ofsted](#) or [CQC](#).
- Other authorities, such as the [DfES](#) or [NHS](#).

There may be other requirements or frameworks for those working overseas.

- Charity Commission guidance - [working overseas](#).
- The [International Child Safeguarding Standards](#).
- Keeping children safe [online assessment tool](#).

Safeguarding should be appropriately reflected in other relevant policies and procedures.

Types of Abuse

Abuse can take many forms, such as physical, psychological or emotional, financial, sexual or institutional abuse, including neglect and exploitation. Signs that may indicate the different types of abuse are at Appendix 1. There isn't enough room to include Appendix 1, but you can

download it from the safeguarding policy questions in the Charity Excellence People questionnaire, or use your own.

Reporting Safeguarding Concerns

If a crime is in progress, or an individual in immediate danger, call the police, as you would in any other circumstances.

If you are a beneficiary, or member of the public, make your concerns known to a member of our team, who will alert a senior member of the charity.

For members of the charity, make your concerns known to your supervisor or safeguarding lead immediately.

The trustees are mindful of their reporting obligations to the Charity Commission in respect of [Serious Incident Reporting](#) and, if applicable, other regulators. They are aware of the Government [guidance on handling safeguarding allegations](#).

Safeguarding Responsibilities

Responsibilities should be made clear and individuals provided with any necessary training and resources to enable them to carry out their role. It should be reflected in Committee ToRs, job descriptions, annual plan and appraisal objectives, reporting to the trustee Board and other procedures, as necessary.

This safeguarding policy will be reviewed and approved by the Chairperson annually (or as needed).

Trustees are aware of and will comply with the Charity Commission guidance on [safeguarding and protecting people](#) and also the [10 actions trustee boards need to take](#) to ensure good safeguarding governance.
